Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim asserted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

### F.3 PERIOD OF PERFORMANCE (AGAR 452.212-72) (FEB 1988)

The period of performance of this contract is from the effective date of the contract through 180 days.

### F.4 WORK SCHEDULE

Normal working hours shall be between 7:30 a.m. to 5:00 p.m., Monday through Friday, except Federal holidays. No work shall be performed under this contract unless the COR or his representative is present at the work site. No payment shall be made for any work performed by the contractor at times when the COR or his representative is not present at the work site. The contractor and the COR shall mutually agree on a schedule of work hours to be followed, which will normally be during daylight hours Mondays through Fridays, except Federal holidays. If certain phases of work must be continued into the hours of darkness, sufficient lighting shall be provided by the contractor so that work may be carried out in a safe and efficient manner. If the schedule of work is to be changed, the COR and the contractor shall mutually agree to such change 24 hours in advance of such change.
